THE SEVENTEENTH FALL

Commencement Convocation 2012

WILLIAM "BILLY" J. NICKS, SR. BUILDING
SATURDAY, DECEMBER FIFTEENTH

To our guests

Commencement is a significant and solemn event, recognizing years of study and sacrifice. To make this ceremony more meaningful, we ask all guests and participants to avoid unnecessary conversation and movement during the exercises. We also ask that cellular phones be turned off during the ceremony.

Please withhold your applause during the presentation of degrees until each degree group is acknowledged and the candidates have returned to their seats.

Following the singing of the Alma Mater, there is a Recessional for the platform party and all degree recipients. We ask the audience to remain seated during this period.

For your assistance, an Emergency Medical Services station is available in the William "Billy" J. Nicks, Sr. Building. Please ask an usher for assistance.

PRAIRIE VIEW A&M UNIVERSITY

COMMENCEMENT PROCESSION

An appropriate costume is a necessary part of Commencement. The costume includes a cap, a gown, and a hood. Each part of the costume has special significance. The most common headpiece (or cap) for the ceremony is the black square, flat-topped, or "mortar board" type with gold or black tassel. It is called a "mortar board" because it is shaped like the board of the mason which holds mortar. Recently, we are seeing large velvet Tam-O-Shanter style of headpieces replacing the mortar board. Some of the velvet tams are brilliantly colored such as orange or bright blue.

The tassel on the doctor's cap is usually gold, and permanently fastened on the left side. The master's cap has a black tassel worn on the left. The bachelor's cap has a black tassel worn on the right prior to graduation then moved to the left during the ceremony.

The hood can be the most colorful part of the entire costume. The colors inside the hood are those of the college or university which is awarding the degree. The colors of the outside rim of the hood symbolizes one of the following departments of learning:

Agriculture.....	Maize
Architecture	Lavender
Arts, Letters, Humanities.....	White
Commerce, Accountancy, Business	Drab
Dentistry.....	Lilac
Economics.....	Copper
Education	Light Blue
Engineering.....	Orange
Fine Arts.....	Brown
Forestry.....	Russett
Geography.....	Blue and Green
Home Economics.....	Golden Yellow
Journalism.....	Crimson
Industrial Education.....	Light Blue
Law	Purple
Library Science.....	Lemon

Medicine	Green
Music	Pink
Nursing	Apricot
Oratory (Speech).....	Silver Gray
Pharmacy	Olive Green
Philosophy	Dark Blue
Physical Education	Sage Green
Public Administration, including	
Foreign Service.....	Peacock Blue
Public Health	Salmon Pink
Science	Golden Yellow
Social Work.....	Citron
Technology.....	Golden Yellow
Theology	Scarlet
Veterinary Science.....	Gray

The gown is usually black. The traditional doctor's gown has velvet panels down the front and three velvet bars on the regular sleeves. The master's gown has no velvet, but does have unusually long sleeves. The bachelor's gown is similar to the master's gown but has regular long sleeves which tend to be pointed.

Some gowns may be in the color of the department granting the degree, such as "Education Blue." Others may be "Yale Blue" or "Harvard Crimson" for the graduates of these universities.

THE MACE

The mace is an ancient symbol of authority which is carried by the marshal ahead of the academic procession. The mace for Prairie View A&M University is four feet long and contains four bronze figures atop a Honduras mahogany base which tapers to fit into its stand(m). The four figures are symbolic of the four undergraduate academic years. Within the hollow area beneath the figures, and shared equally, is a flame which denotes knowledge and excellence. The base which serves as a grip and is carried by a faculty member, symbolizes the entire faculty; the stand which supports the mace characterizes the administration. The visual impact of the mace as a whole is "torch-like." The eight tassels represent the academic organization of the University.

THE MEDALLION

The President's Medallion, the official symbol of the Office of the President at Prairie View A&M University, was created especially to commemorate the lineage of the Presidency by the late Mr. Frank Hayden, nationally famous sculptor and Professor of Fine Arts at Southern University, Baton Rouge, Louisiana. The first medallion was presented to Dr. Percy A. Pierre, fourth president of Prairie View A&M University, on March 21, 1985.

The medallion is designed to be worn with academic regalia at all official University programs. Abstract figures, representing the academic disciplines in an attitude of celebration, encircle the outer rim. The inner circle symbolizes the pursuit of excellence throughout four years of teaching and learning. The weave of the chain is the facsimile of that used by the ancient Greeks.

A replica will be presented to each subsequent President during his inauguration. The medallion will ultimately reflect the history of the presidency, revealing names and dates of inauguration.

COMMENCEMENT ORATOR

BETTY N. ADAMS, PH.D.

Professor and Dean, College of Nursing
Prairie View A&M University

Dr. Betty N. Adams serves as professor and dean of the Prairie View A&M University College of Nursing. In her 12 years of leadership, Adams has led in the expansion of programs and the acquisition of external funding, which has enhanced the recognition of the college. Prior to joining PVAMU, Adams served as associate dean and professor at Texas Woman's University; director and associate professor of the graduate program in the Southern University and A&M College School of Nursing; associate director and consultant for Nursing Education, Louisiana State Board of Nursing; and chair and associate professor in the Division of Nursing at Dillard University. Throughout her career she has promoted the highest quality of nursing education, practice and research and contributed to the building of nursing's theory and science.

Adams has made significant contributions to health care and higher education by serving as president of the Texas Organization of Baccalaureate and Graduate Nursing Education and was elected to two terms on the Board of Governors of the National League for Nursing. As the University's representative in the Texas Medical Center, Adams serves on the Texas Medical Center Policy Council, Texas Medical Center Governmental Affairs Advisory Council and the Texas Medical Center International Affairs Advisory Council. For the last four consecutive years, Adams has been a member of the Evaluators for Minority Scholarship Selections with the American Association of Colleges of Nursing, which has contributed in the success of minorities receiving financial assistance for doctoral studies in nursing. Adams is a long standing judge in the Houston Chronicle's Salute to Nurses and the Good Samaritan Foundation, Excellence in Nursing Awards Selection Committee.

Adams has promoted nursing science and policy through her innovation and sincere commitment to advancing professional nursing. She has been a repeat contributor at the United States House of Representatives Eight District of Texas Round Table on the Health Care Reform. Also, Adams was appointed as consulting editor of the *Journal of Theory Construction and Testing* and is a member and sponsor of the End-of-Life Conference presented by the National Black Nurses Association.

Her research is related to lessening health disparities and addressing environmental influences on cancer. Over the last decade, she has been a member of the research team for the Center of Excellence in Partnerships for Community Outreach and Research on Disparities in Health and Training (EXPORT NIH Project) at the University of Texas M.D. Anderson Cancer Center. Through this effort, Dr. Adams has promoted the participation and scientific growth of colleagues and nursing and biology students in receiving training in health disparities research.

Adams' most profound contribution has been her leadership in administering nursing programs. Since her tenure at PVAMU, the annual enrollment and number of graduates have more than doubled, which is closely related to the success in program offerings, an outstanding faculty, the diversity of students and the remarkable image of the College of Nursing. She has been instrumental in acquiring significant external funding and awards which have generated in the growth and expansion of programs and endowment, technology in the nursing facility and faculty development. Adams has contributed to the advancement of nursing science as noted in some of her most recent publications. She has received numerous honors with several of the most significant being the Academic Affairs Administrator of the Year for the state of Texas, the Harris County Medical Society and the Top 50 Black Health, Medical & Wellness Professionals. She is honored to be a member of Sigma Theta Tau International Society and the Phi Delta Kappa Honor Society.

Adams received her Ph.D. from the University of New Orleans, her Master of Nursing from Emory University in Atlanta, GA and her Bachelor of Science in Nursing from McNeese State University in Lake Charles, LA. She also completed a post-doctoral study in Management and Leadership in Higher Education at Harvard University. She is the proud wife of Willie "Bill" Adams, Sr. They have been married for 44 years and are the proud parents of three sons: Bill, Jr., Bryan and Bradley. They have one daughter-in-law, Patricia.

STATE OF TEXAS
OFFICE OF THE GOVERNOR

A Message from the Governor:

I am pleased and honored to extend greetings to everyone attending the Prairie View A&M University 2012 Fall Commencement Convocation.

Today, as you celebrate your achievements and the honor you have earned as graduates of this fine institution, Texas celebrates with you. You have demonstrated excellence and can take great pride in your accomplishments.

The diploma you receive today is not the goal you have worked diligently to attain. It is only a symbol of the education that has prepared you for a career, a productive life and an active membership in a society that needs your talents and energy.

You are the inheritors of not only the freedom and prosperity of this great state and nation, but also the responsibilities that accompany them. I urge you to rise to the challenge by building upon the foundation laid by the men and women who have come before you.

I am sure the milestone you celebrate today is only one of many achievements you can look forward to. I encourage you to recognize the support system that helped you reach this place — the families, friends, teachers and professors — and to take the time to thank and honor them. The success you know today is the work of many, and those relationships will guide you as you continue on your way.

First Lady Anita Perry joins me in sending best wishes for your continued success.

Sincerely,

Rick Perry

NOTES

ALMA MATER
DEAR PRAIRIE VIEW

Dear Prairie View, our song to thee we raise,
In gratitude we sing our Hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee.
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.

Words by O. Anderson Fuller
